GOLDEN VIEWS

INDO CARIBBEAN GOLDEN AGE ASSOCIATION NEWSLETTER

— DECEMBER 2018 —

Co-Founder's Message

As ICGAA approaches the end of its 26 years, it is also seeing the change from one generation to the next. The needs from the Association are now somewhat different from those required in previous years. Today, most members have had experience in Canada and are quite in tune with the Canadian lifestyle which makes them more independent. They are involved in social and healthy lifestyles activities in many mainstream Canadian programs offered at community centers, temples and churches. Transportation is not such a major problem as it was with the previous generation.

An important service which ICGAA has continued to offer to its members is a place to meet where they can celebrate different cultural programs and special holidays and to be able to get caught up with friends and go on trips internationally and at home.

The ICGAA Board of Directors is discussing new ideas to make these "meet-up" events informative, fun and relaxing. I am sure the members will continue to enjoy and grow with the programs offered by the Association.

Starting January 1, 2019, we have a new Board who are ready to work with all of the members to make our programs interesting and beneficial to all of you. We are asking you to participate and give your input and ideas so you can continue to look forward to attending the events.

On a personal note, I am closing another chapter with ICGAA and stepping down to allow new ideas and vision to go forward. I will continue to support the Association in any way I am able to and would like for you to continue to support the Board and volunteers who work so diligently for you. Our wish is to continue together to keep this Association as one of the best in Toronto.

On behalf of myself, The Board, all the volunteers, musicians and entertainers, we would like to wish everyone a Merry Christmas and a happy New Year.

God Bless, Leila Daljit (Chair-Co-Founder)

President's Message

My Dear Fellow ICGAA Members,

My years serving you the seniors at the ICGAA would be one I would cherish forever. Starting as a volunteer many years to the position as your President 2017-2018, ICGAA continues to be a supportive and caring organization for our seniors. Our yearly programs are a true testament of that, bringing families and friends together to celebrate life. Taking seniors on picnics and Holiday trips abroad, like Aruba, Panama, Cuba, Jamaica, to name a few. I hope this trend will continue.

As we celebrate the Christmas Holidays and the end of the year, I would like to take this opportunity to thank the ICGAA Executives, members, volunteers and our sponsors for a successful year and I sincerely hope they will continue to support this wonderful organization.

Have a safe, peaceful and enjoyable Holiday.

Best wishes, Karna Persaud, President

Mission: The Indo Caribbean Golden Age Association is a voluntary Association dedicated to improve the quality of life and independence of its members through encouragement, involvement and project. It will strive to meet their leisure, social physical and intellectual needs and to equip them to become active contributors and participants in the Canadian Society.
